E2 2010

Montana West Economic Development has teamed up with several local businesses to produce ten seminars addressing how to incorporate technology and marketing to grow your business with a special emphasis on Web 3.0 applications.

This year-long program is **free** and **open to the public**. Each seminar can be attended individually, or consecutively as part of a process focused on enhancing your business's marketing plan, business plan, customer service or bottom line.

E2 is a free forum for entrepreneurs who want to know other entrepreneurs in the region. E2 is about being inspired, mentored and educated through the experience of others. E2 is sponsored by **Montana West Economic Development** and hosted by **Flathead Valley Community College**.

Where: FVCC, Arts and Technology Building, Room 139

When: 12:00-1:00 on the Fourth Tuesday of Each Month.

Attendees are welcome to bring their lunch and enjoy it during the presentation.
To **RSVP** contact Kim Morisaki, Kim@DoBusinessInMontana.com or 257-7711.

Montana West Economic Development is a non-profit private/public partnership dedicated to Quality Job Growth, a Broader Tax Base, Economic Diversity and Regional Collaboration to benefit the broader Flathead community through attraction, retention and growth of businesses.
